

QHDTV Reseller Panel User Manual

- How to open QHDTV reseller panel
- How to create test codes free by reseller panel
- How to create subscription by reseller panel

To open QHDTV reseller panel, just need to buy 30 one year codes first order.

QHDTV one year code price is 55\$, reseller panel price is 28\$, and unlimited free trial codes. Meanwhile, you could check codes status, remaining time by reseller panel. So that you could organize your customers in a better way.

- How to create free trial code?

Click **Codes**—**Sell codes**, after log in with reseller panel account and password;

The screenshot shows the QHDTV reseller panel interface. The left sidebar contains a 'Codes' menu with sub-options 'List Codes' and 'Sell Codes'. The main content area is titled 'Clients / Codes listing' and features a 'Latest sold code' section with a table. Below this is a pagination control showing page 1 of 94. At the bottom is a detailed table of sold codes with columns for Online status, Code, Period, Start date, End Date, Device, Channel, Status, and Client ID.

Online	Code	Period	Start date	End Date	Device	Channel	Status	Client
	17...	365			Android		Active	3958
	17...	365	20...	20:21:34	Android		Active	3957
	170...	365	20...	...	Android		Active	3956
	170...	365	2019...	...	Android		Active	3955
	17...	365	2019-...	...:34:53	Smart TV		Active	3854
	170...	365	0000-...	...:00:00	Android		Sold to client	3853
	17...	365	0000-...	...:00:00	Android		Sold to client	3852
	17...	365	00...	...:00:00	Android		Sold to client	3851

Then choose **Period 3 code**, and click **Assign**;
